This Agreement will establish the terms and conditions of your credit card agreement with the Credit Union. In this agreement, the words “you” and “your” mean any person receiving and using the card and that by using the card for the first time “you” agree to all terms and conditions in this agreement. “Card” means the VISA Select, Visa Classic or Visa Secured credit card and any “our” means Carolina Cooperative Federal credit Union. You must be a member of the Credit Union to apply for a credit card.					
MILITARY LENDING ACT DISCLOSURE: Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account) Please call Us at (800) 726-8901 to receive oral disclosures of the Military Lending Act disclosure above and a description of the payment obligation.

CREDIT CARD AGREEMENT AND DISCLOSURE (continued)

JOINT ACCOUNT: If more than one person applies for the card each is individually responsible for all amounts owed and is jointly and severally responsible for all amounts owed. This means the Credit Union can enforce the Agreement against any of you individually or all of you together. Each may obtain credit advances without the knowledge of the other and both are obligated to repay all advances made to the account. You agree to notify the Credit Union of any address change.

USING THE CARD: You may use the card issued to you to make purchases from anyone who accepts VISA Credit Cards. You may also obtain cash advances from the Credit Union, from other Financial Institutions participating in the VISA program and from Automated teller machines (ATMs) that provide access to the VISA system. Your VISA Personal Identification number (PIN) is needed to obtain cash advance from an ATM (not all ATMs accept VISA Cards). You agree not to use the card for illegal transactions such as advances for gambling or wagering where these practices are in violation of the law.

PERSONAL IDENTIFICATION NUMBER (PIN): We will furnish you with a Personal Identification Number (PIN). You agree to keep the PIN secret. You also agree you won't write the PIN on the Card or anything you keep with the card. Your use of the Pin and card in getting a cash advance or making a purchase is agreed to constitute your signature for purposes of such transaction.

FINANCE CHARGES: A Finance Charge will be imposed on credit Purchases only if you elect not to pay the entire New Balance shown on your monthly statement for the previous billing cycle within 25 days from the date of that statement. If you elect not to pay the entire new balance shown on your previous monthly statement within that 25 day period, a Finance Charge will be imposed on the unpaid average daily balance of such Credit Purchase from the date of posting to your account during the current billing cycle, and will continue to accrue until the date of the billing cycle preceding the date on which the entire New Balance is paid in full or until the date of payment if more than 25 days from the closing date.

Balance Subject to Finance Charge: The balances subject to finance charge are identified on your monthly statement as "Average Daily Balance" (including new purchases, new cash advances and new balance transfers). The "Average Daily Balance" is determined by adding, after subtracting all payments, credits, and cash advances for the billing period in which they were made, all the outstanding advance balances and billed but unpaid finance charges for each calendar day of the billing period and then dividing the total by the number of days in that billing period. Purchases posted to your Account during the billing period are included only if the "New Balance" on your previous assessed bill was not paid in full by the grace period.

The monthly periodic rate for purchases, cash advances and balance transfers for **VISA Select, VISA Classic or VISA Secured** with corresponding **ANNUAL PERCENTAGE RATE** is shown above.

Penalty APR for VISA Select: If you are late in making two (2) or more payments in a six (6) month period, the annual percentage rate on the account will increase to the annual percentage rate of 12.90% corresponding to a monthly periodic rate of 1.075%. The new rate will be applied to the outstanding balance on the periodic statement to derive the new Finance Charge and Minimum Payment. The penalty rate is permanent and will remain in effect until you close your account.

OTHER CHARGES: The following other charges (fees) will be added to your Account, as applicable: a) **Return Check Fee:** If a check or share draft used to make a payment on your account is returned unpaid, you will be charged a fee of \$30.00 for each item returned; b) **Card Replacement Fee:** You will be charged \$5.00 for each replacement card that is issued to you for any reason; c) **Document Copy Fee:** You will be charged \$5.00 for each copy of a sales draft or statement that your request (except when the request is made in connection with a billing error made by the credit union); and d) **Collection Costs:** You agree to pay all costs and reasonable attorney's fees.

LATE CHARGE: If your payment is received nine (9) days after your payment due date you will be charged \$5.00 or 10% of the payment due not to exceed \$35.00.

MONTHLY PAYMENTS: Each payment you make on the account will restore your credit limit by the amount of the payment that is applied to the principal amount of purchased and cash advances. At any time your total new balance exceeds your credit limit, you must immediately pay the amount over your credit limit.

A PAYMENT IS REQUIRED EACH MONTH: You must pay at least the minimum shown on your statement by the date specified on your monthly statement. You can repay any outstanding balance prior to maturity in whole or in part at your option without penalty. Your monthly payment must be made directly to the address shown on your statement. If available, you may have your minimum payment automatically deducted from your checking or savings account.

The minimum periodic payment required for your VISA Select, VISA Classic or VISA Secured will be 2.50% of your total new balance, minimum of \$25.00 plus any portion of minimum payments shown on prior statements which remain unpaid and any other applicable charges. You will also be required to pay any amounts over your credit limit or past due amounts.

Subject to applicable law, payments will be applied in the following order or in any manner the credit union chooses. First to any previously billed and unpaid Finance Charges on purchases and cash advances, then to any billed fees, then to the principal balance of purchases in the order they were posted to your account and then to the principal of cash advances. However, in every case, in the event you make a payment in excess of the required minimum periodic payment the Credit Union will allocate the access amount first to the balance with the highest annual percentage rate and any remaining portion to the other balances in descending order based on applicable annual percentage rate. If two or more purchases were posted on the same day, your payment

will be applied to the lowest amount first. You understand that any payment that delays the repayment of your unpaid balance will increase your Finance Charge and any payment that accelerates the reduction of your Unpaid Balance will decrease your Finance Charges.

CREDIT BALANCES: If there is a credit balance due to you, you may request in writing a full refund of the credit balance at our address shown in this agreement.

SECURITY: You grant us a security interest under the Uniform Commercial Code and under any common law rights the Credit Union may have in any good you purchase. If you give the Credit Union a specific pledge of shares by signing a separate pledge of shares, your pledged shares will secure your account. You may not withdraw amounts that have been specifically pledged to secure your account until the Credit Union agrees to release all or part of the pledged amount.

Your Account is secured by all other shares you have in any individual or joint account with the Credit Union, except for shares in an individual Retirement Account or in any other account that would lose special tax treatment under state or federal law if given as security. These other shares may be withdrawn unless you are in default under this agreement. You authorize the Credit Union to apply the balance in your individual or joint share accounts to pay any amounts due on your Account if you should default.

CROSS COLLATERAL: If you have other loans with us, or take out other loans with us in the future, collateral securing those loans will also secure your obligations under this Agreement. However, unless you expressly agree otherwise, no dwelling secures your obligation.

DEFAULT: You will be in default: (1) if you fail to make any minimum payment or other required payment by the date that it is due, (2) if you break any promise you make under this agreement, (3) if you die, file bankruptcy or become insolvent, that is, unable to pay your obligations when they become due, (4) if any attachment or garnishment proceedings are initiated against you or your property, (5) if you default on any other indebtedness to the Credit Union, (6) if you make any false or misleading statement in any credit application or credit update, (7) if something happens that the Credit Union believes may substantially reduce your ability to repay what you owe.

When you are in default, the Credit Union has the right to demand immediate payment of your full account balance without notice. If immediate payment is demanded, you will continue to pay Finance Charges, at the periodic rate charged before default, until what you owe has been paid, and any shares that were given, as security will be applied towards what you owe.

If collection efforts are required by the Credit Union, you agree to pay all costs and expenses incurred in the collection of any sum due, and in addition, if the holder hereof, after default, shall place this Agreement in the hands of an attorney or collection agency, for collection, to pay reasonable attorney's fees, interest and fees due on this Agreement at the time of the employment of such attorney or collection agency.

You must request an increase in your credit limit either by written application or by phone. The Credit Union has the right to reduce or terminate your credit limit at any time. This 1% adjustment is made for all international transactions regardless of whether there is a currency conversion associated with the transaction. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.
