How We Will Calculate Your Balance:

We use a method called "average daily balance (excluding new purchases) (including new balance transfers and cash advances)."

Promotional Period for Introductory APR:

The Introductory APR for purchases and balance transfers will apply to transactions posted to your account during the first 90 days following the opening of your account. Any existing balances on Community First Credit Union of Florida loan or credit card accounts are not eligible for the Introductory APR for balance transfers.

Installment Plan:

We may offer you an Installment Plan which allows you to pay eligible charges over time, with interest at a non-variable rate. You can only create an Installment Plan if you receive and accept an offer. The offer will tell you the terms, including the APR, that will apply to that Installment Plan. Your ability to create an Installment Plan is based on factors including, but not limited to, the transaction amount, payment term length you choose, and your creditworthiness.

Minimum Interest Charge:

The minimum interest charge will be charged on any dollar amount.
