¹ **Loss of Intro APR:** We may end your Introductory Balance Transfer APR if you make a late payment; then the Balance Transfer APR will be 12.99%.

You will not earn rewards on cash advances, balance transfers, convenience checks used to access your account or any cash received with a purchase at the point of sale. Cashback provided on net purchases (purchases minus any returns or credits).

If your account is closed, you will lose any rewards you have not redeemed. If you fail to make two (2) consecutive payments by the due date in a sixty (60) day period of time, any cashback yet to be redeemed will be forfeited.

How We Will Calculate Your Balance: We use a method called "average daily balance method (including new purchases)". See "Interest Charges" section of your Credit Card Agreement for more information.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in your Credit Card Agreement. See "Your Billing Rights" section for further details.
